

Kent V. Hasen, M.D.

AESTHETIC PLASTIC SURGERY OF NAPLES

Kent V. Hasen, M.D., Board Certified Plastic Surgeon and Medical Director of Aesthetic Plastic Surgery of Naples, understands the importance of making informed choices when it comes to your cosmetic surgery decisions. As one of the most sought after aesthetic surgeons in South Florida, Dr. Hasen has an experience-based understanding and sensitivity towards the varied goals and concerns of the patients who visit his office.

Dr. Hasen is Cornell and Northwestern University trained. His practice concentrates on cosmetic surgery of the face, breast and body. Dr. Hasen stays current with the latest, proven techniques and trends in plastic surgery to help improve patient outcomes, minimize downtime, and reduce the appearance of incisions and scars. His practice was the first in the area to offer 3D imaging to allow patients the possibility to see what they could look like after surgery with photorealistic three dimensional imaging. Additionally, Dr. Hasen was the first plastic surgeon in Southwest Florida to adopt the new technology - CoolSculpting for non-surgically reducing unwanted fat in problem areas.

For the comfort, privacy and safety of his patients, Dr. Hasen has a fully accredited on site surgery center that allows his patients to be discreet about their decision for cosmetic procedures. Come in to meet Dr. Hasen and his wonderful staff to understand why his practice has grown so much in reputation and stature since opening in Naples in 2002.
